We had a wonderful time at Questacon yesterday! The science experiments were engaging and fun! The children enjoyed catching up with and meeting new friends.

After the science fair they enjoyed tabloid sports at Ulong PS.

It’s Miss Newby’s last day on Monday! We wish her luck and we hope Upper Orara School has helped her prepare for teaching in the future. Miss Newby will be providing some treats to thank the children. If you would like to contribute a plate of food snacks too, please feel free but try and send in healthy snacks.

We are looking forward to the Japanese drumming show next Wednesday at 2pm! Please return note and payment if would like your child to participate.

ORARA VALLEY FAIR!!

Please send in how you are going to assist with the Orara Valley Fair on the long weekend. It is a great opportunity to raise funds to support our school in providing important learning experience for our children. Anything! Ring the office for ideas or Jodie! We really need someone to make pumpkin soup!!?

P&C would like a very quick meeting next Wednesday at 4pm to finalise what everyone is doing for the fair! Everyone is welcome.
This week’s ‘Student of the Week’ is Haillie James. Haillie receives this award for continued effort in reading groups. Well done Haillie!

Orara Valley Soccer Carnival—Glenreagh

The Orara Valley Soccer Carnival is next Friday 6th June. A permission and information note has been sent home to families with children aged 8 years and up. If your child would like to attend, please return the notes by next Wednesday with the levy fee.

School fees/text books fees

Thank you to the parents who have paid their student invoices so promptly. We would appreciate if outstanding fees are paid before the end of this term. If you are unsure of how much you owe please contact the office. These funds assist the school in providing quality learning opportunities for your child.

BOOK COVERING—HELPERS NEEDED!

If you can spare some time, we have a mountain of books to cover, so come in and grab a cuppa and help cover some library books so we can get them onto the shelves for students to enjoy and for teachers to use in their lessons. Alternatively, if you would like to take some home to cover, we can provide the plastic contact. Mrs Johnson is only in the office 3 days a week and we rely on parent helpers to lighten the load, and more books are due in all the time! Thanking you in advance!

Live Life Well @ School

Keeping kids active during winter –
Walk in the rain – don’t forget the
Inside dance-a-thon
Notice when children are being active and join in
Ten minute bursts of exercise, like star jumps, running on the spot and hopping
Escape to the park and play some ball games
Rug up and go for a walk on the beach
